National Home has sights set on a Fifth Campbell's Van

Eaton Rapids, MI. – Grab your bowls, clip your UPC codes, and slurp down that soup, the VFW National Home for Children is once again closing in on a new mini-van.

The National Home currently has 915,845 points from UPC codes and needs 1,600,000 for a new van. That's less than 700,000 needed! With some hard work, it'll be no time until the children of the National Home are shuttled around for educational, charitable, and enjoyable activities.

This minivan will help the National Home in transporting children to school and church activities, sports practices, dance and music lessons, and doctor appointments. This will mark the fifth time a van has been obtained by the National Home through the Campbell's Labels for Education Program.

Please remember that you no longer need to clip the entire label, all that is needed is the UPC (bar code). This can be found on the back of the product near the bottom. While many products are worth one point, there are several products worth five points. For a list of eligible products, please visit www.labelsforeducation.com.

The National Home appreciates your continued support. These vans wouldn't be possible without the combined efforts of Ladies Auxiliaries and their members, Junior Girls Units, VFW Posts and their members, dedicated volunteers, residents and staff.

Since 1925 the VFW National Home for Children has provided Help, Hope and Honor for the children and families of our nation's military and veterans. For more information please call (517) 663-1521, toll-free at (800) 424-8360 or visit www.vfnationalhome.org.
