Tears and Laughter welcome National Home Representatives at NY Convention

Eaton Rapids, MI. - Heartfelt thanks and appreciation radiated from a resident of the VFW National Home for Children as she spoke to the attendees of the VFW and Ladies Auxiliary Department Convention in New York. Accompanied by National Home staff member Tammy Walters, Sheena shared her experiences and conveyed the importance the National Home is having on her life.

Sheena captured the hearts of the New York delegates as she shared heartwarming stories of the National Home, including the impact the National Home had on her development in becoming the person she is today. Emotions spilled out as Sheena reflected on where she'd be today if the National Home hadn't opened its arms to her.

Walters spoke to the delegates as well, covering the various programs, initiatives, and services of the National Home. It wasn't all seriousness though; another guest, Amber, took some time to stretch her fingers on the piano, providing entertainment and good tunes for all.

The National Home would like to thank Mary Ann McClane for her work with National Home Trustee Joan Chwalisz in preparing for the visit. Heartfelt thanks also goes to Arlene Eysemann for serving as a guide to the National Home representatives.

The National Home is grateful to all of the members of the VFW and Ladies Auxiliary Department of New York for their steadfast commitment and dedication to provide help to the nation's active duty military, veterans and their children and families.

Since 1925 the VFW National Home for Children has provided Help, Hope and Honor for the children and families of our nation's military and veterans. For more information please call (517) 663-1521, toll-free at (800) 424-8360 or visit www.vfnationalhome.org
