### **Veterans Motorcycle Club Continues National Home Support**

**Eaton Rapids, Mich.** – The Jackson County Chapter of the Proud Veterans Motorcycle Club (PVMC) presented the VFW National Home for Children a check for \$1,000 on October 27 to support the children and families of the non-profit child care agency.

PVMC Adjutant Gary Sternaman presented the check to the National Home Board of Trustees and Executive Director Patrice Green. This latest donation brought the group's generous giving history to around \$10,000.

“For many years, the Proud Veterans have made the National Home an important part of their group's mission,” Green said. “The National Home is blessed to have such wonderful support from this noble club.”

The donation was raised through the PVMC September Benefit which included a breakfast, poker run, auction, live music, barbecue and a big party. The group chose not to restrict their donation, allowing the funds to flow where they are needed most.

“Every year that we've had the benefit poker run, we've done it for the Home,” said Sternaman. “We're all veterans with a mission to help each other, and we want to help the families living there.”

The September Benefit is the fifth consecutive annual fundraiser for the National Home. The organization has hosted several benefit events and engaged in community advocacy on behalf of the National Home. In addition to their generous monetary support, the group also brings many gifts-in-kind to the National Home.

Since 1925 the VFW National Home for Children has been providing for the children and families of our nation's veterans, while at the same time serving as a living memorial to our nation's heroes.
